If you are a reader of THE SENTI-KEL, you have heard of this wonderful country. You have marveled and doubted. You do not believe land will produce like we claim this does. You do not believe you can make the money there we say you can. You argue and confuse others parts of Texas with this. We do not blame you for doubting. A Northern man has never seen anything to compare with it. Go with us on next excursion, TUESDAY, FEB'Y. 15, and we will show you.

FARMER'S PHONE.

That permanent renet or cure cannot be obtained without the use of some

external agency. Neglect to care for this most common condition, invariably leads to STRANGULATED HERNIA. STRANGULATED HERNIA

means certain death within a few hours unless relief can be obtained. To avoid the possibility of strangulated hernia, one should wear a properly fitted truss. There are three important features to be considered in buying a truss-must HOLD the rupture, must be COMFORTABLE and must be DURABLE.

A truss, when properly fitted on a growing person, in nearly every case effects a cure and no matter how aggravated the rupture, PERMANENT RE-LIEF CAN BE HAD. We have an ex- company in Topeka, and Ralph has a perienced truss man in charge of this good position in Denver, Colo., with department of our business and we gladly give you the benefit of his ex-perience. We invite correspondence and make no charge for personal examination. An unconditional guarantee in every case.

-Elder B. H. Dawson, Jake and Jim Bucher were in St. Joseph, Tuesday and Wednesday, in attendance at the Seventh District convention of the Christian church in session there at the First Christian church. The object of the convention was to review parts of the work accomplished in the district in 1909, and to make plans and outline the work for 1910.

-Just as soon as the weather will permit, Jack Haley, of Forest City, stonemason, will commence on the stone foundations for Jeff Springer's fine residence and barn, about 5 miles north of Oregon. H. A. Bruner has the contract for the buildings. Jack will also put in a stone foundation for a barn, 30x48, for A. D. Taylor on one of his farms, three miles south of Forest City.

-Mound' City's commercial club isactive and is pushing with its might and main for the paving of its principal street leading from Davis reek bridge to the town's north limits. Oregon should have its thoroughfare from the depot to the square paved with vitrified brick or macadam. By the way, what has become of Oregon's commercial club?

-Those who attended the funeral of Leah Kaucher from a distance, were: Laurence Kaucher and daughter, Kirie Bruner, wife and daughter, Frank Kaucher, Mary Kaucher and Katharine Bowen, all of ;St. Joseph; George Kaucher, Memphis, Tenn.; Lillie Clark and Cole Younger, Doxey, Okla.; Geo. Christian, Grinell, Iowa; Ben Mumm, D. W. Porter and wife,

Mound City. -Our sympathy goes out to Mrs. Clara McCoy in her great loss, by the death of her son, Wilson, which occurred in Old Mexico, January 21, 1910. He was a graduate of the electrical engineering department of our State University, and was in the employ of an extensive mining company, with headquarters at Pereguina. He was a sylendid young man of greatpromise and his death, at life's noon time, is a great loss indeed.

-W. J. Glass, of Union district, was a very much surprised man, Tuesday, Feb. 8, 1910, the occasion being his 48th Lirthday. His wife persuaded him to go to Forest City on an errand and during his absence, the neighbors, to the number of about 35, came in with all manner of good things to eat and upon W. J's. return, they were ready for him. An enjoyable time was had by all present, but W. J. was the happiest one in the bunch and he wants the event to come soon again.

-Wirile in St. Joseph this week, we had the pleasure of meeting an old and true friend, D. L. Nipher, of Topeka, Kas., who was there visiting his daughter, Hattie. Dave is looking well and says that he never felt any better, and he certainly looks younger than when he left here. He says his folks are well. Bert is in Louisiana; Guy is with the telephone company in Topeka, and Ralph has a the Western Union Telegraph Co. He sends his regards to numerous friends in Oregon and vicinity. Come over, Dave, and visit us; we all want to see you.

-Mrs. John W. King's sale, Wednesday, February 9, was attended by a large crowd, and they certainly responded to the auctioneer's appeal to help out the widow. Horses sold well, and two coming 3-year old mules brought \$304, and fine yearling mare mule, brought \$155, another yearling mule, \$85. Cows brought from \$30 to \$45; calves from \$10 to \$14; brood sows from \$15 to \$24. The total amount of electing five directors for the ensuing __U. B. church services will be held from \$15 to \$24. The total amount of year, and transacting any and all Sunday at Maltland at 11 a. m.; and the sale was over \$2,500. The Thomas well attended, and good prices were hammer in both instances.
